

# Holiday Traffic Calendar 2004

To avoid starting the most beautiful days of the year (Holidays) in a back up (traffic jam) on German Autobahn, you should carefully consider the best days of your departure and the traveling route you want to take to come to your destination.

Perhaps you should consider traveling by train (Deutsche Bahn AG)

**This Holiday Traffic Calendar 2004 might be very helpful for your Holiday Planning**

Therefore pls. check our traffic calendar indicating high traffic areas on Autobahn. The Information windows displayed and assigned to various Areas are indicating the days when heavy traffic and jams are being anticipated. This information is printed in bold characters

Critical Border crossings leading outside the European Community are indicated on the last page.
